

PAT GERSTEMAN

Pat has attended almost all of the District Conventions as well as some of the International Conventions. She has served on just about every committee, always decorates for the BBQ fundraiser, and leads in the distribution of the sponsor signs for the Alzheimer walk. She has chaired the preparation of Seaman's boxes as well as provided hand made crafts for a homeless shelter for many years. Her Hummingbird Cake is always the first dessert sold at the annual BBQ fundraiser. She has appeared as an active participant and/or leader in nearly every Pilot Club activity over the years., and currently serves as Chair of the International Relations club project.

Pat is truly an example and role model for all Pilots!

She exemplifies the true spirit of Pilot - "friendship and service."
